Unique Lifestyles specializes in luxury residential living for clients with Serious Mental Illness (SMI). This housing model provides an alternative to traditional housing options, especially when the affordable housing market is limited in selection for SMI clients. We offer safe housing with affordable low-cost rental payments, making independent living more accessible for SMI clients.

Our facilities offer a wide range of amenities for SMI clients, that are not typically available inside most affordable housing units. Our Joblanca Facility is a beautiful 5 Bedroom, 3 Full Bath, 2326 square foot 2-story home, in Avondale, AZ.

The following amenities are available at this location:

Air Fryer  
Alarm System  
Basic Cable Thru Cox Communications

- Prime Location
- Wood-Look Floors
- Ceiling Fans
- Garden
