Colorado mountain living at its best, with an easy 30-40 minute commute to Golden/Lakewood and the Denver West area at an affordable price point. Breathtaking mountain views surround this lovely small log home, located on a large 1.25 acre lot with huge over sized two car garage and storage. Comes with a greenhouse and utility shed/wood shed. Enjoy the abundant wildlife, hiking trails, four wheel trails, snow mobile trails, and 5 lakes for fishing, plus much more! Great large deck that over looks the lot and breath taking views. Short driveway to front door and separate driveway to garage. The home has a great open floor plan between kitchen and living room, with tall vaulted ceilings, huge windows, with lots of sunlight. This log home is all made out of beautiful tongue-and-groove, beetle kill pine. Don't miss out on one of a kind home to get you away from the busy city.
