You will love the privacy and nature that these 14 acres of hardwood trees will provide. Borders Nike Park on the front, Paleo point and Fenwood Ct on the side, Town Farm Creek to the back. As you enter the private gravel road you will feel like you are way out in the country but you are still close to shopping, Nike Park, and the James River Bridge.

On the left there is over an acre of cleared pasture with fencing a stable, and a storage building.

Several level buildable areas to site your to-be-built home. Heavily wooded hardwood trees with trails cut in. You will feel like you are in your own private nature preserve.

The back property line extends into a tidal creek off of Town Farm Creek which leads to Jones Creek and Out to the James river. Launch a canoe or kayak right off the bank of your back yard at high tide.

Children would attend Carrollton Elementary School, Smithfield Middle and Smithfield High School.

And don't forget the small town of Smithfield is just around the corner with its charming brick sidewalks and quaint shops. A great place to tour, shop, and grab a bite to eat.
