Welcome to 214 Appaloosa Way! This spacious custom built ranch home is located minutes from town and is situated in a quiet, well established neighborhood. A lovely landscaped yard with mature trees welcomes you to come sit on the front porch, which has plenty of room for rockers or a swing. As you enter into the large foyer you see beautiful hardwood floors and a neutral color palette. An expansive Great Room offers space for gathering and entertaining around the Soapstone wood burning fireplace. Soapstone offers beauty, efficiency, and a timeless technology that cannot be found in standard wood-burning stoves. Unlike traditional fireplaces, which emit blistering short lived convection heat in close proximity, soapstone stores and releases heat slowly. To your left you see a sizable dining area which expands your space for gathering in this open concept layout. Many windows allow lots of natural light into the area and provide views of the almost one-acre yard. The roomy kitchen has a lot of counter space and numerous all wood cabinets for storage. Off of the kitchen is a huge pantry with shelving to give you even more storage. Ceiling fans in all of the rooms guarantees a cooling breeze in summer or help to circulate the heat from the wood burning soapstone stove in cooler months. A staircase off the dining area brings you to the finished space above the garage which includes two bedrooms and a wide open area perfect for a media, gaming, or study room. There is als...
