You are going to love this custom home designed by Frank Betz and built by Norman Miller. Has a bedroom and full bath on the first floor that is great for an office or for an aging parent when time comes. The kitchen is huge and you need a big kitchen because whenever you have a party everyone always hangs out in the kitchen. Plenty of granite counters and ample cabinet space for storage. No more deck staining because this guy was smart enough to put in a patio instead. The master bedroom, bath and closet are all generous in size. One additional bedroom has a private bath and two others share an adjoining bath. Great surprise on the third floor with game room. Big enough for pool table, bar and pub tables. Quality finishes you would expect in a home of this caliber. New carpet and great condition are a nice bonus. Option to join the Gatling Pointe Yacht club for more amenities.
