Bring your ideas and your business to this general commercial property on a busy road with great visibility. This .96 Acre parcel includes two buildings. First is a former convenience store that is partially renovated that has a sign pole and lots of parking. The second is a two bedroom one bath, single family home that is rented for additional income to supplement your business. Both located at the entrance of the Jones Creek Landing public boat ramp which provides plenty of drive by traffic. Would be great place for a bait shop or boating accessory retail. Plenty of potential for some one with vision and a small business plan.
