This beautiful all brick property is located on 10 acres. There is plenty of wildlife, and this is a great location for family camping, horse farms, and great for wineries. This land is also excellent for raising cattle, or having a vegetable farm. This property is has remote gate access and features beautiful, custom built, stone columns at the entrance of the property. There are fresh water springs, and walnut trees located on the property. There is a stone fire pit, 62' x 42' outdoor heated entertainment area and outdoor kitchen.

There are plenty of walking and riding trails to observe gorgeous sunsets and sunrises. There are natural stone retaining walls accompanied by a 10 foot majestic waterfall. The residence is an all brick house that is designed to be hurricane and tornado resistant. This home has thousands of dollars of ornamental brick work, and stone work. There is an 1100 square foot brick patio directly behind the home. This home is a must see!
